## For Immediate Release

### **Halifax Regional Welcomes New Administrative Director of Human Resources**

**ROANOKE RAPIDS, NC (October 24, 2014)**—Halifax Regional welcomes Tom Mastroianni (pronounced mahs-troy-AHN-ee) as its new Administrative Director of Human Resources. He will begin his position on Monday, October 27, 2014.

“I enjoy the feel of community hospitals, said Mastroianni, Administrative Director of Human Resources.” Mastroianni comes to the Medical Center from Stellaris Health System in Greenwich, CT where he served since 2007 as Vice President for Human Resources for the 275 bed community hospital. He holds a bachelor’s degree in English from Union College and a master’s degree in Teaching from Fordham University. He is also a member of the Society for Human Resource Management.

Mastroianni comes to Halifax Regional with 29 years of experience in human resources and 19 years direct experience working in community hospitals. In his new role, he will be responsible for employee relations, benefits administration, training, compensation analysis and employee recruitment and retention, as well as other human resource functions.

“We are excited to welcome Tom to North Carolina and Halifax Regional, William Mahone, President, Halifax Regional. “He has extensive experience in employee engagement and leadership development.”

Relocating with Mastroianni is his fiancée. The couple is planning to wed in the spring of next year. Mastroianni also has two grown children. In his free time, he enjoys reading mystery novels, travel, and researching his family history.
