For Immediate Release

Dr. Ericson Rejoins Medical Staff at Halifax Regional.

ROANOKE RAPIDS, NC. (June 3, 2010)--Douglas Ericson, MD, has joined the medical staff of Halifax Regional as a Radiologist.

Dr. Ericson is a Board-Certified Radiologist (physician who specializes in the branch of medicine concerned with use of energy or radioactive material in diagnosis and treatment of disease) who has 24 years experience.

He served at Halifax Regional in 2005-07. He is in partnership with DRI, a radiology group practice that serves the Medical Center.

“Since I left Halifax Regional, the Medical Center has made significant improvements in Radiology services,” says Dr. Ericson. “Halifax Regional has kept up with the technology and has an excellent staff. The staff really looks out for what is best for patients.”

Dr. Ericson is a graduate of Purdue University and earned his medical degree from Indiana University. Dr. Ericson did a clinical internship followed by a residency in Diagnostic Radiology at Michigan State University.

“Halifax Regional is fortunate to have a stable group of well trained physicians who are dedicated to meeting the needs of our medical staff for diagnostic imaging,” said Michael Adcock, vice president of clinical and support services.

Fred Weir, MD, of Roanoke Valley Surgical Associates, says, “I enjoy working with Dr. Ericson. He is very cordial and goes out of his way to communicate to the medical staff. His clinical performance has proven to be above expectation.”

Danilo Bernardo, MD, of Valley Hypertension-Nephrology, says, “Dr. Ericson communicates well with the medical staff. He listens to our concerns and responds appropriately.”
