Wildwood Clinic Announces Temporary Closure

ROANOKE RAPIDS, NC (October 26, 2012)—Halifax Regional announced today the temporary closure of its Wildwood Medical Clinic located at 2053 River Road in Henrico, NC.

Due to a provider staffing shortage, the decision was made that it is in the best interest of patient care and continuity to close Wildwood Clinic until a new provider is recruited. Roanoke Valley Health Services is offering appointments at both Roanoke Clinic (252) 537-9176 and Roanoke Valley Internal Medicine & Rheumatology (252) 535-1082.

“We are deeply apologetic for any inconvenience caused by the closure of our Wildwood Clinic,” said Will Mahone, president, Halifax Regional. “Meeting our patient needs in the community is very important to us; therefore, our staff is reaching out to current patients and working swiftly to assist them in scheduling appointments in our other clinics.”

Patients with questions about rescheduling an existing appointment or making a new appointment at another clinic location are encouraged to contact (252) 537-9176.
